JS PEWTER®

## PROUDLY MADE IN MALAYSIA

Founded in 1993, JS Pewter Sdn. Bhd. began as a humble workshop driven by a simple dream, to shape pewter into gifts that carry meaning beyond measure.

Over the years, our craftsmanship has evolved, yet our purpose remains unchanged: to create gifts that speak from the heart. From intricately designed gold-plated awards to bespoke corporate souvenirs, each piece we craft reflects a story of achievement, appreciation, and connection.

Proudly made in Malaysia, JS Pewter blends traditional artistry with modern design, offering premium gifts that shine not only with beauty, but with the stories and emotions they represent.

## OUR JOURNEY BEGAN...

more than three decades ago in Kajang, Malaysia, a small town where craftsmanship and community go hand in hand. Born from a family tradition of metal artisans, JS Pewter grew from a modest workshop into a trusted name in pewter craftsmanship.

From those early days, our goal was simple: to create something lasting, something that carries both artistry and emotion. Each pewter piece we produce celebrates the values we hold dear, gratitude, heritage and connection.

Today, JS Pewter continues to handcraft every product locally, preserving the authenticity of Malaysia's pewter-making heritage while embracing contemporary design. Every piece that leaves our hands carries not only quality, but a piece of Malaysian pride.

JS PEWTER®

A gift is more than a gesture,  
it's a language of **gratitude**.

Through pewter, we express appreciation  
that words alone cannot hold.

JS PEWTER®
